FINANCIAL RESPONSIBILITY POLICY

Name of Patient: ____

Medical Provider: NeuRepair Brain and Spine Wellness Centers,
8140 Picton Way, Suite #102, Trinity, FL. 34655

As a new patient of our facility, we would like to advise you of our Financial Responsibility Policy. The number of benefits will depend on your policy and the circumstances of your case. Also, insurance companies may deny claims in whole or part, making it almost impossible to determine how much of your claim will be covered.

Patients are responsible for the payment of all covered medical expenses that are not paid by applicable insurance. Your financial responsibility, if any, cannot be determined until (a) you have completed treatment, and (b) the financial obligations of your insurance company have been determined. In some instances, it will take litigation to obtain insurance company payment which can take months, if not years to resolve. In consideration of and as an express condition to our agreeing to providing treatment to you and waiting to obtain what, if any insurance payments we will receive, you agree to pay any remaining balances owed for services rendered.

By signing below, I acknowledge that I understand the above Patient Financial Responsibility Policy.
